

Pressure Washers & Steam Cleaners Clean Mining Equipment

100% ALL-ELECTRIC CLEANERS WASH MINING EQUIPMENT

Sioux's line of 100% All-Electric hot pressure washers are ideal for cleaning mining equipment. They blast grease, oil and dust off Cats, crawlers, loaders, bolters, graders, and other mining equipment.

Specially designed explosion-proof models can go right to the face of the mine. Units are designed for indoor use. As they emit no contaminants into the surrounding air, they comply with the Clean Air Act. There is no flame, no fuel and no exhaust. Units require

no preheating or recovery time; thus, hot water is available immediately for continuous use.

Sioux offers over 65 models of All-Electric steam cleaners, pressure washers and combination units with ratings from .8-8 GPM, 100-3000 PSI units are ETL listed to UL-1775 and CAN/CSA C22.2 No. 68-92. Explosion proof models are also available for use in explosive environments. These units are also listed to UL-1203 and CNA/CSA C22.2 No. 157-92.

SOLUTION HEATERS FOR MINING

Sioux Corporation's solution heaters are designed for the heap leaching process used in precious metals mining. They are currently being operated in the U.S. and many other countries throughout the world. The rugged, reliable design provides an instant, continuous supply of hot solution which increases stripping speed, therefore lowering overhead and increasing profit.

Sioux Solution Heaters are easy to operate, and will last for many years with little maintenance.

These rugged units come fully equipped with controls and instrumentation. Choose from LP gas, natural gas, or oil-fired models.

APPLICATIONS

	STEAM CLEANER	HOT PRESSURE WASHER	COMBINATION STEAM/PRESSURE	SOLUTION HEATER
Cleaning Cats, loaders, excavators, scoops, bolters, mining cars, trucks		X	X	
Degreasing engine blocks, motors, fans	X	X	X	
Washing conveyors, transport equipment and walkways		X	X	
De-icing frozen valves & equipment	X		X	
Degreasing truck wash bays, engines, undercarriages and fifth wheels	X	X	X	
Washing down heat exchangers, air conditioners and compressors		X	X	
Heating solutions for heap leaching				X

"X" Indicates the best unit for each application. Combination units are ideal for all cleaning applications.

Sioux is the industry leader in custom, application-specific designs.

A wide range of options are available, including alternate electricals, custom frames, water tanks, trailers, and other accessories to provide the EXACT equipment you need.
